MEMORANDUM FOR:

SUBJECT : Planning: Training and Career Development Patterns

1. The attached "Extracts from EXECUTIVES for GOVERNMENT..." are forwarded for your information. The views and findings expressed therein may be of some value to OTR and others in considering the merits and possible content of Mid-Career and Senior Officer training programs for CIA recommended by the Inspector General in his August 1960 Survey of the CIA Training Program.

2. They also have some bearing on the development of career service and training patterns for generalists (OT's) and specialists.
